## DATABASE MEMBERSHIP

Get unrestricted access to the largest digital accessible tango music archive in the world!

With this database membership you gain unlimited access to our TANGO-DJ.AT database and all of its features:

- **Sound samples**  
~90 seconds in length, cut from the beginning and the middle of the recording to cover also the vocalist
- **Full cover art viewer**  
flip through full sized scans and pictures of complete CD booklets, LP front and back covers
- **Customizable table view**  
you can customize the search result table to your preference
- **Save your favorites**  
you can save recordings for easy recall later on
- Access professional ratings and recommendations
- Filter your search by medium or recommendations
- Three different search options from flexible to strict search
- High-performance, unpaginated search result listings
- Extended date search feature to specify date periods
- Access to extended meta data like composer, author, disc numbers, matrix numbers and comments
